

Join us on March 3, 2019,
to promote World Birth Defects Day,
raise awareness of birth defects and expand birth defects
surveillance, prevention, care and research worldwide.
You can:

Promote on websites and
social media channels,
including Thunderclap

Organize a
meeting for the
general public

Write an article for
a magazine or
newspaper

Organize a press
conference

Organize a
social event

Organize a scientific
meeting

...or any other activities that would disseminate information
